CURRENT PROJECTS AND CLIENTS (2013-14)

1. DISABILITY AWARENESS PROGRAM :

A workshop cum seminar on disability was organized by the society at Delhi Police Public School. In this workshop disables were informed about various kinds of schemes formed and executed by different government departments and distributed Wheel Chairs, Tricycles and Crutches.

2. COACHING CLASSES FOR JOB ORIENTED COURSES :

The Main objective of the trust was to empower youth to find income earning opportunities with high productivity.
It is an effort towards creating a pool of employable youth from the underprivileged section through skill enhancement in tandem with market requirements.
The programme aims at preparing urban underprivileged (adolescent youths) with skills in
- English Proficiency,
- Basic Computer Education
- Business Accounting
- Retail Sales Person
3. MOBILE HEALTH SCHEME:

The Mobile Health Scheme is designed to provide curative and preventive health care service to underprivileged people of South-West Delhi living in slums and resettlement colonies. The Mobile Health Service is a very important and successful health support to the people who are unable to access the expensive health facilities at private clinics.
4. Target Intervention Project HIV/AIDS For Migrant Workers.

Prevention and care services are provided through three main activities which are explained below-

- **Information service**-
  
The said service was various activities like behavior Change Communication (BCC), Mid media Campaigns, Information Booth, Development of IEC/BCC Materials.

- **Condom programme**-
  
Condom services was provided through establishing condom outlets and providing revolving fund for social marketing in districts where Social Marketing Organization do not operate.

- **STI Health Care Services**-
  
Health care services focused on prevention and care of STI was provided through the linkages established with the existing health care system. Health Camp also will be organized with the support of local Panchayat or youth clubs for identifying and treating STIs in the migrant community. The health Camp was for treatment of general illness, but focused efforts will be made to identify and treat STIs. Every effort was made to link up with Rashtriya Swasthya Bima Yojana (RSBY), the health insurance scheme for the persons Below Poverty Line. This facilitate the migrants to access financial support during emergency hospitalization.
5. CELEBRATED INTERNATIONAL DAY OF DRUG ABUSE & ILLICIT TRAFFICKING:

The objectives of the campaign was to Educate youth with correct, concise and adequate information and heighten their level of awareness about HIV/AIDS/STD/SEXUALITY & DRUGA ADDICTION and other related issues (thus eliminate myths and misconceptions).

- Enable youth, especially the female, to identify and understand situations of exploitation and abuse.
- Sensitize the youth regarding care and support needs of PLWHA and instill in them the spirit of helping and supporting the people living with HIV/AIDS & Drug Addiction (PLWHA) and reduce the stigma and discrimination against them.
- Create linkages between youth and governmental, non-governmental agencies and community base organizations to access safer and responsible healthy behavior.
- Encourage Non-Governmental Agencies and Social Activists to foster the social cause in a more comprehensive manner and firm commitment to the society at large.

PULSE POLIO PROGRAM: The Society actively participate in the National Program of PULSE POLIO.To make polio free India actively involved in Polio program of Govt. Figure of 14000 to19000 as total vaccination on NIDs .Laxmi Mittal &Usha Mittal with Rajeshree Birla visited the centre for Polio drop.
HEALTH SCHEME: Health is very essential for a self-reliant and progressive community. The organization is running regular health camps to provide medical facilities to people living in JJ Clusters at their doorstep. Free medicines are distributed.

6. SCHOOL HEALTH AND HIV/AIDS AWARENESS PROGRAMME:

- The objectives of the campaign were to educate school youth with correct, concise and adequate information and heighten their level of awareness about HIV/AIDS, mode of transmission, prevention, myths about HIV, get tested for HIV, blood safety and blood donation, healthy habits, say “No” to drugs, fight against “Stigma” and “Discrimination” against PLWHA and their families, fight against “Stigma”.
- At the end of the programme, a free health checkup was also organized by the society.

7. ROAD SAFETY STUDIES –

In close coordination with various slums and low-income colonies in Delhi area, REWS along with P4Planning consultants had conducted various surveys to identify the key mobility needs of the poor people and their travel patterns. They also identified high risks and conduct various
studies to assess the risks associated with walkability, cyclability, access to public transport and other key road safety situations.

8. NON FORMAL EDUCATION CENTRE FOR UNDERPRIVILEGED CHILDREN:

Basic Educational center for Children was started in Delhi at Mahaveer Enclave by the Society. The proposal is proposed to streamline the out of school children in school going age i.e. from 4-14 years, mainly focusing at the girl child. There are total No of 350 children Regular classes books and other educational material with mid day meal is provided free of cost among children. Lots of other activities were organized such as story telling, poetry, recitation, picture composition and many indoor and outdoor games.
