NON FORMAL EDUCATION CENTRE FOR UNDERPRIVILEGED CHILDREN

Basic Educational centre for Children was started in Delhi at Mahaveer Enclave by the Society. The proposal is proposed to streamline the out of school children in school going age i.e. from 4-14 years, mainly focussing at the girl child. There are total No of 350 children. Regular classes books and other educational material with mid day meal is provided free of cost among children. Lots Of other Activities were organized such as story telling, poetry, recitation, picture composition and many indoor and outdoor games.
Mobile Health Scheme:

The Mobile Health Scheme is designed to provide curative and preventive health care service to underprivileged people of South-West Delhi living in slums and resettlement colonies. The Mobile Health Service is a very important and successful health support to the people who are unable to access the expensive health facilities at private clinics.

DISSABILITY AWARENESS PROGRAM.

A workshop cum seminar on disability was organized by the society at Delhi Police Public School. In this workshop disables were informed about various kinds of schemes formed and executed by different government departments and distributed Wheel Chairs, Tricycles and Crutches.
COACHING CLASSES FOR JOB ORIENTED COURSES: The main objective of the trust was to empower youth to find income earning opportunities with high productivity. It is an effort towards creating a pool of employable youth from the underprivileged section through skill enhancement in tandem with market requirements.

The programme aims at preparing urban underprivileged (adolescent youths) with skills in:

- English Proficiency,
- Basic Computer Education
- Busy Accounting
- Retail Sales Person
Consumer Awareness Program:

Consumer Awareness Program was organized at KusumpurPahari on the following objectives,

- Creating awareness among consumers on their rights, responsibilities and strengths.
- Provide guidance, education to consumers.
- Create awareness about correct weights and measures, standards of quality and safety;
- Collect and disseminate information and knowledge to consumers;
- Rallies of the school children consumer rights to the young children and the public at large that go round the city carrying banners and play cards with messages relating to Consumer Rights.

Target Intervention Project HIV/AIDS For Migrant Workers.

Prevention and care services are provided through three main activities which are explained below-

- **Information service**-

  The said service was various activities like behavior Change Communication (BCC), Mid media Campaigns, Information Booth, Development of IEC/BCC Materials.
● **Condom programme**-

Condom services was provided through establishing condom outlets and providing revolving fund for social marketing in districts where Social Marketing Organization do not operate.

● **STI Health Care Services**-

Health care services focused on prevention and care of STI was provided through the linkages established with the existing health care system. Health Camp also will be organized with the support of local Panchayat or youth clubs for identifying and treating STIs in the migrant community. The health Camp was for treatment of general illness, but focused efforts will be made to identify and treat STIs. Every effort was made to link up with RashtriyaSwasthyaBimaYojana (RSBY), the health insurance scheme for the persons Below Poverty Line. This facilitate the migrants to access financial support during emergency hospitalization.

**CELEBRATED INTERNATIONAL DAY OF DRUG ABUSE & ILLICIT TRAFFICKING:**

The objectives of the campaign was to Educate youth with correct, concise and adequate information and heighten their level of awareness about HIV/AIDS/STD/SEXUALITY & DRUGA ADDICTION and other related issues (thus eliminate myths and misconceptions)
• Enable youth, especially the female, to identify and understand situations of exploitation and abuse.
• Sensitize the youth regarding care and support needs of PLWHA and instill in them the spirit of helping and supporting the people living with HIV/AIDS & Drug Addiction (PLWHA) and reduce the stigma and discrimination against them.
• Create linkages between youth and governmental, non-governmental agencies and community base organizations to access safer and responsible healthy behavior.
• Encourage Non-Governmental Agencies and Social Activists to foster the social cause in a more comprehensive manner and firm commitment to the society at large.

LEGAL AWARENESS AND STREE SHAKTI PROG. FOR WOMEN:
Legal Awareness for women aimed at making women's aware about their Financial Independence was organized by the society in South West Delhi. The program was attended by people from all walks of the life and it was felt by the attendant that this kind of programmes are very useful in the society like ours where women’s awareness about their fundamental rights is very low. Further, they were informed about various kinds of schemes formed and executed by different Govt. Departments for welfare of the women’s either, it is in education, employment or technical guidance etc.

WORKSHOP CUM TRAINING PROGRAM FOR WOMEN ON INTERNATIONAL WOMEN DAY.
International Women’s day was celebrated on 8th March for underprivileged women at Mahaveer Enclave. A number of competitions were held on the occasion. It is a major day of global celebration by women. A number of competitions were held on this occasion. Mehendi Competition, Rangoli Competition & Dance Competition.
ENVIRONMENTAL AWARENESS PROGRAMME :-
The society organized a environmental awareness programme to discuss the impact of growing pollution on the human health and environment. The eminent speakers discussed the factors leading to increase in all types of pollutions including water, air and sound pollution. It was felt that there is need to speeded the process of removing old vehicles, reduce the use of plastics, Compulsory use of effluent treatment plants by the industries and all other methods which can be helpful in reducing and controlling the pollution. On the same day the society organized a painting contest and a debate on the issues concerning pollution. The participants were students of different schools of Delhi. At the end of the programme prizes were distributed among the winners of the contest.

PDIL Retail Star Training: The project aims at preparing urban underprivileged (adolescent youths) with skills in English Proficiency, Basic Computer Education and Soft Skills for enhancing their prospects of employment in fast expanding sectors like retail outlets, hospitality and BPOs sectors
